

## EVENT SPONSORSHIP

Sponsoring Verb Ballets Benefit on May 20, 2017 is a great way to help sustain professional ballet in our region. One of our most important facets of our work is with youth and seniors in our community. In addition to performing for over 19,000 people in Northeast Ohio last year, we reached over 13,000 through our education and outreach efforts. It is great visibility for your company, organization or family foundation to show its support.

Sponsorship levels for the benefit are listed below. Payment is preferred at time of agreement but can be billed upon request with payment due no later than May 1, 2017. Thank you for considering becoming a sponsor. Proceeds from the benefit will go directly towards supporting Verb Ballets operations and programs.
